SHOWCASE YOUR BUSINESS THROUGH A SILENT OR LIVE AUCTION DONATION

Contributing an auction item to the 2025 Champions of Hope Gala is a unique opportunity for a corporation or an individual to make a commitment to the health and well-being of our community. Your donation will be featured during this spectacular event where over 500 of St. Louis' most affluent and influential corporate and community leaders will see your product or service. As we celebrate 10 years, our mission focus and 'Raise the Paddle' initiative will support advocacy, patient services, and groundbreaking research to benefit individuals affected by all types of cancer.

SILENT AUCTION

- The mobile bidding link to the silent auction will be promoted on the gala's social media platforms and sent out to all participants the week of the event.
- Silent auction donations will be promoted the night of the event via mobile bidding that will include a description of the item, the donor's name and a photo of the item.

LIVE AUCTION

- All live auction benefits will recognize the donor's name
- Live auction donations received before October 1st will be featured in the event invitation.
- Social media posts will promote live auction packages one month before the event.
- Emails promoting live auction packages will be sent to all attendees.
- A description of live auction package will appear in the event program.
- A poster for live auction items will be displayed during cocktail hour.
- The American Cancer Society will create a sizzle reel highlighting each live auction donation.
- Live auction items will be featured on projection screens and described by the auctioneer during the live auction segment of the program.

Your support allows the American Cancer Society to offer support along every step of the cancer journey.

Cancer Research

ACS has invested more than \$5.5 billion in cancer research nationally since 1946, including **more than \$97.1 million in Missouri**, contributing to 4.1 million fewer cancer deaths.

Virtual Support

Through cancer.org and the 24/7 cancer helpline, ACS is there when you need reliable cancer information and support. **957 Missourians were helped with more than 2,191 support inquiries** in 2024.

Advocacy

ACS CAN lobbied in Missouri to secure an additional **\$350,000 in tobacco prevention and cessation funding** and passed legislation to **remove barriers to the Breast and Cervical Cancer Treatment Program**.

Community Partnership

ACS engaged **128 health systems, community health centers, community organizations and coalitions, and state health plans in Missouri**, helping to prevent cancers through evidence-based prevention programs.

VOICES of Black Women

The VOICES of Black Women study, led by ACS, aims to better understand cancer and other health conditions among Black women. Results will help inform how to improve the health of Black women for generations to come.

Road To Recovery

One of the biggest roadblocks for people needing cancer treatment can be the lack of transportation. ACS volunteers in **Missouri provided 2,191 free rides for cancer patients to and from treatment** in 2024.

Hope Lodge

ACS's 30+ Hope Lodge communities across the country provide a free place to stay for those who must travel to treatment, including **21,555 free nights of lodging for Missourians** in 2024.

Hair Loss and Recovery Care

Through ACS's EverYou, people facing cancer can find a curated collection of quality wigs, headwear, and recovery care products including bras and breast forms.

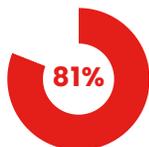

Cancer Survivors Network

Cancer Survivors Network is a free online community where nearly 1.2 million survivors and caregivers share their stories, ask questions, and get support from others who have a similar cancer experience.

Patient Support Grants

ACS awarded **\$245,000 in grants to health system partners in Missouri** to provide transportation & lodging solutions for cancer patients in the local community in 2024.

More than 81% of our revenue is invested in delivering our mission.

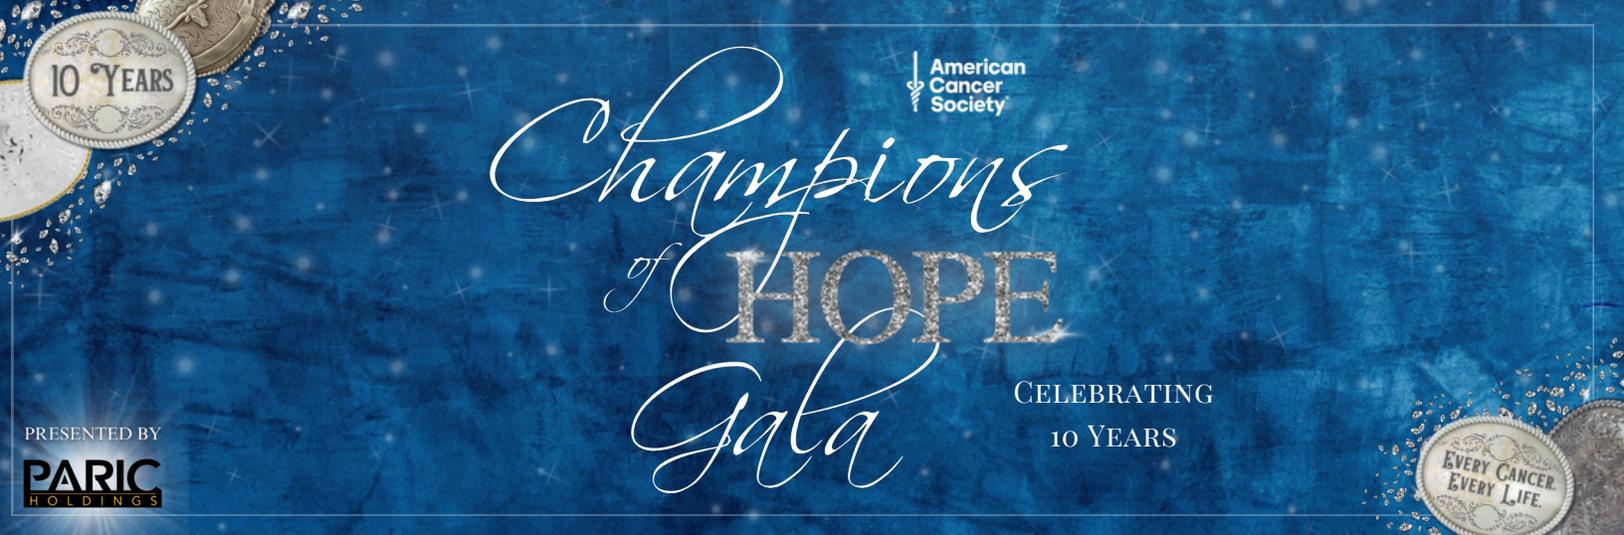

1M+

The only nonprofit with over one million volunteers working in local communities across the US and Puerto Rico

ACS CARES

If you or someone you love has been diagnosed with cancer, deciding what's next can be overwhelming. Now you can get one-on-one support and the quality curated information you need in a new digital app - ACS CARES - for easy access, available anytime and anywhere.
